Please answer the two questions in this box by placing a circle around the answer that applies and deleting the one that does not. If you have to answer 'No' to either question, please give full details on a separate sheet in order that your suitability for the course may nonetheless be carefully considered.

Health and personal circumstances

The school requires any new student to confirm that he or she is unaware of any chronic illness or disability or personal circumstance that would in any way affect the student's ability to participate fully in the course. Are you able to give this confirmation? **Yes No**

Protection of children

In accordance with secondary legislation enacted and guidance by the Department for Education and Skills, the school requires all new members of staff and Montessori students to have been the subject of an enhanced disclosure (the check applicable to someone who is to be working with children) by the Criminal Records Bureau or, if from outside the United Kingdom, to have a certificate of good conduct from their home police force. For students from the UK, the school provides a form of application for the disclosure following acceptance of the offer of a studentship. Can you confirm that you know of no matter likely to be contained in such a disclosure and that you have never been convicted of a criminal offence anywhere in the world? (You need to answer this question without the benefit of the Rehabilitation of Offenders Act 1974, which does not apply to teachers and others working with children.)

Yes No**Additional information**

Is there any information, in addition to that provided above and in any papers accompanying this form, that you should give the school in the interests of making full and frank disclosure of everything that might have a bearing upon its evaluation of your candidacy for the course? (If necessary, please give details on a separate sheet.)

Declaration

I declare that the information I have given in this application and any papers accompanying it are true. Please consider me for a place on your Montessori course for students, your prospectus for which I have read and understand.
