Under the school's pay-monthly scheme, fees for each academic year (September to July) are split into monthly instalments and collected by direct debit, as follows:

For the AUTUMN TERM – on the first working day of August, September, October and November

For the SPRING TERM – on the first working day of December, January, February and March

For the SUMMER TERM – the first working day of April, May, June and July.

Charges for any extras, for example optional subjects, are added to the second instalment each term.

A deposit of £2,500 is payable upon entry to the school. This is returned when the child leaves the school, subject to the school having received payment of all sums due to it.

GOVERNMENT SCHEMES TO HELP REDUCE FEES

Local Authority Grant for younger children

If your child is under 5 on 1 September, 1 January or 1 April, for the term beginning in that month you may choose to take advantage of a Local Authority Grant (otherwise known as the Minimum Funding Entitlement, Nursery Education Grant or Early Education Childcare Place funding) paid by the local authority to the school. This is attributed to a statutory maximum of 15 hours' early years education per week. To cover contracted hours in excess of this statutory maximum, parents in receipt of the grant pay the difference between the amount of the grant and the school fees stated above. The grant is £912.60 for the Autumn Term 2018. As a service for parents we intend to continue to participate in this scheme for as long as possible, but this is not guaranteed: the regulatory complexity and administrative burden for the school has recently increased and may become too onerous.

Childcare vouchers and Tax-free childcare

The school accepts most companies' childcare vouchers. It also accepts payments under the government's tax-free childcare scheme introduced from September 2017.
