GOVERNMENT SCHEMES TO HELP REDUCE FEES

Local Authority Grant for younger children

If your child is under 5 on 1 September, 1 January or 1 April, for the term beginning in that month you may choose to take advantage of a Local Authority Grant (otherwise known as the Minimum Funding Entitlement, Nursery Education Grant or Early Education Childcare Place funding) paid by the local authority to the school. This is attributed to a statutory maximum of 15 hours' early years education per week. To cover contracted hours in excess of this statutory maximum, parents in receipt of the grant pay the difference between the amount of the grant and the school fees stated above. The grant is £1,248 for the Autumn Term 2025. As a service for parents we intend to continue to participate in this scheme for as long as possible, but this is not guaranteed: the regulatory complexity and administrative burden for the school has recently increased and may become too onerous.

Childcare vouchers and Tax-free childcare

The school accepts most companies' childcare vouchers. It also accepts payments under the government's tax-free childcare scheme introduced from September 2017. Childcare vouchers can be used to pay fees prior to a child reaching the compulsory school age of 5. They can also be used to pay for wraparound care and before and after school clubs.
